Hi Tom:

It appears that you have not responded to my meeting request for Monday 1/29/2018 at 2:00 PM. I would like to brief you and my management on my findings from documents that I have collected during my June 2017 inspection along with residential sampling I completed in October of 2017. If you are not available on Monday, please suggest other dates and times.

Sincerely,

Cheryl Burdett
